České Budějovice

The building of power company E.ON is situated close to the city centre, in the street of F. A. Gerstnera 2151/6 in the new modern building of the City Center České Budějovice.

Driving by car

In the direction from Brno

– Arriving at České Budějovice on Pražská street, at the large crossroads at the OBI hypermarket turn to the left to Nádražní street and drive straight (there will be a railway station on your left and the Mercury shopping centre on your right). After a long right-hand bend, Nádražní street changes into Mánesova street. Drive straight to pass the crossroads with Lidická street (there is a former District Office on your right) and right after the crossroads, at the first traffic light junction, turn to the right to F. A. Gerstnera street. After 150 meters there is the new modern building of the City Center České Budějovice on your left.

In the direction from Prague

– Arriving on Pražská street in the direction from Borek, at the large crossroads at the OBI hypermarket turn to the left to Nádražní street and drive straight (there will be a railway station on your left and the Mercury shopping centre on your right). After a long right-hand bend, Nádražní street changes into Mánesova street. Drive straight to pass the crossroads with Lidická street (there is a former District Office on your right) and right after the crossroads, at the first traffic light junction, turn to the right to F. A. Gerstnera street. After 150 meters there is the new modern building of the City Center České Budějovice on your left.

In the direction from Plzeň

– Arriving through the roundabout at the Globus hypermarket, drive straight to the viaduct, pull into the left turning lane, drive uphill and carry on

straight to the second traffic light junction at the OBI hypermarket. Continue driving straight on Nádražní street (there will be a railway station on your left and the Mercury shopping centre on your right). After a long right-hand bend, Nádražní street changes into Mánesova street. Drive straight to pass the crossroads with Lidická street (there is a former District Office on your right) and right after the crossroads, at the first traffic light junction, turn to the right to F. A. Gerstnera street. After 150 meters there is the new modern building of the City Center České Budějovice on your left.

In the direction from Linz

– Arriving in the direction from Český Krumlov
– Arriving at České Budějovice on Litvínovická street, at the flyover junction turn to the right to Mánesova street. Drive straight on Mánesova street and at the third traffic light junction turn to the left to F. A. Gerstnera street. After 150 meters there is the new modern building of the City Center České Budějovice on your left.
